

DIAMOND
ALLEGIANCE

NEW PARTNERSHIP

We're excited to announce our partnership with the Diamond Allegiance. The Allegiance is a national association of elite-level player development organizations committed to advancing the travel ball ecosystem by creating better value for players and parents.

THE NINTH INNNING PRIME APP

Introducing our new travel ball platform. Features include:

Individualized player development platform features AI testing with player specific correctives and baseball specific drill work. Program designed by Clemson Head Coach, Erik Bakich.

MEDIA CONTENT

Curated smart lessons, creative content, and drill video library. Specific content from trusted resources including Diamond Allegiance staff and your coaches.

WORKLOAD MANAGEMENT

Pitchers – track your workload, receive throwing routines and make better decisions about how much and when you should perform.

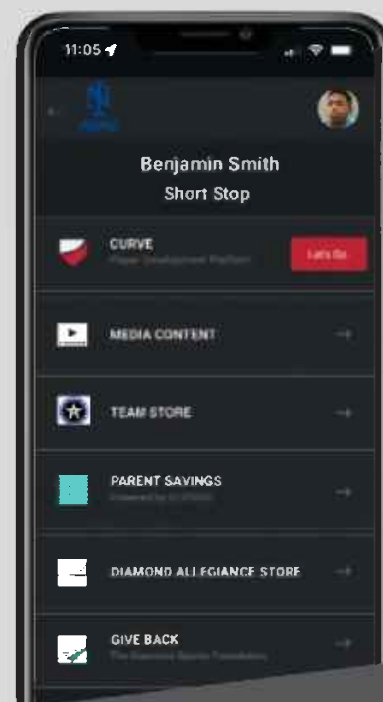

PARENT SAVINGS

Discount programs for hotels, equipment, and travel.

TEAM COMMUNICATION

Stay up to date with important information at your fingertips.

AVAILABLE IN
THE APP STORE

KEY BENEFITS FOR YOU

PLAYERS:

- Sustainable year-round development.
- An individualized and targeted approach to development.
- Player profile with up-to-date metrics.
- Recruiting conduit for players.
- Direct messaging from org to participants makes communication easier so you can monitor, track, and plan your workload.

PARENTS:

- Savings program designed for travel ball families. Spend money on everyday purchases, and available year-round.
- Access to savings on products that your player uses for development, travel, and showcasing.
- Realize greater value for your investment.
- Cost-effective development compared to private coaching.
- Access to recruiting education.
- Credible conduit to D-1 and non-D1 conferences.
- Direct messaging from org to participants makes communication easier.
- Access to webinar series on subjects such as recruiting, development, the draft, and more!
